

## Fill in the gaps

What has come over me
What madness taken hold of my heart
To run away, the only answer
Pulling me away
To fall upon the night
The source of my recovery
Sweet shadow taking hold of the light
Another day has been devoured
Calling me away, (1) the question
Why
For saving me (2) all they've taken
Letting my armor (3) again
Giving me the strength to face them
Feeling it taking over now
On a path to take it all away
There can be no better way of knowing
In a world beyond controlling
Are you going to deny the savior
In front of your eyes
Stare into the night
Power beyond containing
Are you going to remain a slave for
The rest of your life
Give into the night
This self discovery
Redemption taking hold of my mind
A serenade of haunting voices
Calling me away
To (4) upon the night
So much felicity
Dark maiden taking hold of my hand

Lead me away from hibernation

Strong and unafraid	
Never a question why	
For (5) me from all they've taken	า
Letting my armor fall again	
Giving me the strength to face them	
Feeling it taking over now	
I'm about to take it away	
There can be no better way of knowing	
In a world beyond controlling	
Are you going to deny the savior	
In front of your eyes	
Stare into the night	
Power beyond containing	
Are you going to remain a slave for	
The rest of your life	
Give into the night	
Give in to the night	
In a world (6) controlling	
Are you going to deny the savior	
In front of (7) eyes	
Stare into the night	
Power beyond containing	
Are you going to remain a slave for	
The rest of (8) life	
Give into the night	
Night (9) Night	
Give (10) the Night	
Night Night	
Give into the Night
