## Never Too Late by Three Days Grace

This world will never be	Now and again we try
What I expected	To just stay alive
And if I don't belong	Maybe we'll turn it all around
Who would have guessed it	'Cause it's not too late
I will not leave alone	It's never too late
Everything that I own	The world we knew
To make you feel (1) it's not too late	Won't come back
It's never too late	The time we've lost
Even if I say	Can't get back
It'll be alright	The life we had
Still I (2) you say	Won't be ours again
You (3) to end your life	This world will never be
Now and again we try	What I expected
To just stay alive	And if I don't belong
Maybe we'll (4) it all around	Even if I say
'Cause it's not too late	It'll be alright
It's never too late	Still I hear you say
No one (5) ever see	You (8) to end your life
This side reflected	Now and again we try
And if there's something wrong	To just stay alive
Who would (6) it	Maybe we'll turn it all around
And I have left alone	'Cause it's not too late
Everything that I own	It's (9) too late
To make you feel like	Maybe we'll turn it all around
It's not too late	'Cause it's not too late
It's never too late	It's never too late (It's never too late)
Even if I say	It's not too late
It'll be alright	It's never too late
Still I hear you say	
You want to end your life
