

Fill in the gaps

One And The Same (with Selena Gomez) by Demi Lovato

Hey Hey!	vve (12) the same song in a
La la la la la	(13) key
Hey Hey Hey!	It's got a rythym you and me
La la la la la	Can get along
You come from here	And it may (14) cliche for me
I come from there	To want to say that your not alone
You rock out in (1) room,	Here I go again
I rock a world premiere.	And you can (15) me uncool but its a simple fact
We're (2) alike than	I still got your back!
Anybody could ever tell	Cuz we're one in the same
Ever tell	We're (16) but ordinary
Sometimes we rule,	One in the same
Sometimes we (3) (4) speak.	I (17) we're almost legendary
But we (5) it off,	You and me
Let loose, and LOL	The perfect team
LOL	Chasing down the dream
It may (6) (7) ashamed	We're one in the same!
But i wanna say that (8) not alone	Yeah Yeah
And you can (9) me, uncool	Cause (18) one and the same.
But its a (10) fact	We're anything but ordinary
l've got you're back	One and the same
Yeah yeah yeah!	We're something (19) than momentarily
Cuz we're one in the same	Cause (20) one
We're anything but ordinary	Cause we're one
One in the same	We're anything but ordinary
I think we're almost legendary	You and me the prefect team
You and me	Chasing down the dream
The perfect team	Oh
Chasing (11) the dream	You and me the prefect team
We're one in the same!	shaking up the scene
Hey Hey Hey!	We're one and the same!
La La La La	Hey Hey Hey!
I'm kinda like you,	La La La La
You're kinda like me	Hey Hey Hey!
