

How did we get here

## Fill in the gaps

How can I decide what's right (1)	when I used to know you so well
(2) clouding up my mind	But how did we get here
I can't win your losing fight all the time	I think I know
How can I ever own what's mine when you're	Do you see (6) we've done
(3) taking sides	We're gonna make such fools of ourselves
But you won't (4) away my pride, no not	Do you see what we've done
(5) time	We're (7) make such fools of ourselves
Not this time	How did we get here
How did we get here	when I (8) to know you so well
When I used to know you so well	But how did we get here
But how did we get here	I (9) I know
I think I know	There is something I see in you
The truth is hiding in your eyes and its hanging on your tongue	It might kill me
Just boiling in my blood but you think that I cant see	I (10) it to be true
What kind of man that you are, if you're a man at all	
Well I will figure this one out on my own	
I'm screaming I love you so	
My thoughts you can't decode	

- 1. when
- 2. you're
- 3. always
- 4. take
- 5. this
- 6. what
- 7. gonna
- 8. used
- 9. think
- 10. want
