

Fill in the gaps

vve'll do it all	Let's waste time
Everything	Chasing cars
On our own	Around our heads
We don't need	If I lay here
Anything	If I just lay here
Or anyone	Would you lie with me and (5) forget the world?
If I lay here	Forget (6) we're told
If I just lay here	Before we get too old
Would you lie (1) me and just forget the world?	Show me a garden that's bursting into life
I don't (2) know	All that I am
How to say	All that I ever was
How I feel	Is (7) in your (8) eyes, they're all
Those three words	I can see
Are said too much	I don't (9) where
They're not enough	Confused about how as well
If I lay here	Just know (10) these things will never change for
If I just lay here	us at all
Would you lie with me and just forget the world?	If I lay here
Forget what we're told	If I just lay here
Before we get too old	Would you lie with me and just forget the world?
Show me a (3) that's (4)	
into life
