

## Fill in the gaps

Sha, Sha, Sha		You're taking seven steps here
I (1)	shouldn't say this	The seven things I hate about you
But at times I get so scared		You're vain
When I think (2)	the previous	Your games
Relationship we shared		You're insecure
It was awesome, but we lost it		You love me, you (4) her
It's not possible for me not to care		You made me laugh, you made me cry, I don't know which
And now we're standing in the rain		(5) to buy
But nothing's ever gonna change until you hear		Your friends, they're jerks when you act (6) them,
My dear		just know it hurts
The seven things I hate about you (x2)		I wanna be with the one I know
Oh, you		And the (7) thing I hate the most that you
You're vain		do
Your games		You make me love you
You're insecure		And compared to all the great things
You love me, you like her		That (8) take too long to write
You made me laugh, you made me cry, I don't know which		I probably should mention
side to buy		The seven that I like
Your friends, they're jerks when you act like them, just know it		The seven (9) I like about you
hurts		Your hair
I wanna be with the one I know		Your eyes
And the (3) thing I hate the most that you		Your old Levi's
do		When we kiss, I'm hypnotized
You make me love you		You made me laugh, you made me cry, but I guess that's both
It's awkward and silent		I'll have to buy
As I wait for you to say		Your hand in mine when we're intertwined, everything's alright
What I need to hear now		I wanna be with the one I know
Your sincere apology		And the seventh thing I like the most (10) you do
When you mean it I'll believe it		You make me love you
If you text it I'll delete it		Sha, sha
Let's be clear		You do, oh
Oh, I'm not comin' bac	ck
