

Oh, I'm not comin' back

Fill in the gaps

Sha, Sha, Sha	You're taking seven steps here
I probably shouldn't say this	The seven (2) I hate about you
But at times I get so scared	You're vain
When I think (1) the previous	Your games
Relationship we shared	You're insecure
It was awesome, but we lost it	You love me, you (3) her
It's not possible for me not to care	You made me laugh, you (4) me cry, I don't know
And now we're standing in the rain	which side to buy
But nothing's ever gonna change until you hear	Your friends, they're jerks when you act like them, just know it
My dear	hurts
The seven things I hate about you (x2)	I wanna be with the one I know
Oh, you	And the seventh thing I hate the most that you do
You're vain	You make me love you
Your games	And compared to all the great things
You're insecure	That (5) take too long to write
You love me, you like her	I (6) (7) mention
You made me laugh, you made me cry, I don't know which	The seven that I like
side to buy	The seven things I like about you
Your friends, they're jerks when you act like them, just know it	Your hair
hurts	Your eyes
I wanna be with the one I know	Your old Levi's
And the seventh thing I hate the most that you do	When we kiss, I'm hypnotized
You make me love you	You made me laugh, you made me cry, but I guess that's both
It's awkward and silent	I'll have to buy
As I wait for you to say	Your (8) in mine when we're intertwined,
What I need to hear now	everything's alright
Your sincere apology	I wanna be with the one I know
When you mean it I'll believe it	And the seventh thing I like the (9) that you do
If you text it I'll delete it	You make me love you
Let's be clear	Sha, sha
