

Fill in the gaps

rii (1) remember	I was changed
It was (2) afternoon	In (12) no one (13) find
It lasted forever	All your (14) so deep inside (deep inside)
And ended too soon	It was (15) that I realized
You were all by yourself	That forever was in (16) eyes
Staring up at a dark (3) sky	The (17) I saw you cry
I was changed	I (18) to hold you
In places no one would find	i wanted to make it go away
All your (4) so deep inside (deep inside)	I wanted to (19) you
It was (5) that I realized	I (20) to make your everything, all right
That (6) was in your eyes	I'll always remember
The (7) I saw you cry	It was late afternoon
The moment that I saw you cry	In places no one (21) find
It was (8) in september	In places no one (22) find
And I've seen you before (and you were)	All (23) (24) so deep inside
You (9) always the (10) one	(deep inside)
But i was never that sure	It was (25) that I realized
You were all by yourself	That forever was in your eyes
Staring at a (11) gray sky	The (26) I saw you cry
