

## Fill in the gaps

## When The Sun Comes Down by R.i.o.

Time to wake up	'Cause we're (10) up
In every nation	Like the sun
Go (1) the vibration	So hold on
That takes me away	I will lift you up
Me people (2) up	We can stir it up
To fight desperation	Feel the (11) around
As we're raising, raising	When the sun (12) down
Until the break of day	People give it up
Hey	'Cause we're rising up
I will lift you up	Like the sun
We can stir it up	So (13) on
Feel the love around	Come on down
When the sun comes down	And share all your dreams
People (3) it up	The (14) has come
'Cause we're rising up	To (15) the rainbow colours
Like the sun (like the sun)	Open up (16) (17) you will see we
So hold on	can
I will lift you up	Hold on, hold on
We can (4) it up	The road is clear
Feel the love around	So gather all your friends (18) and
When the sun comes down	Take (19) one by one by the hand
People (5) it up	To a peaceful, lovely place
'Cause we're rising up	Hold on
Like the sun	I (20) lift you up
So hold on	We can stir it up
Right	Feel the (21) around
Come share my dream	When the sun comes down
No facing, no fighting	People give it up
Me love (6) (7) shining	'Cause we're rising up
All that it way	Like the sun
Hey	So (22) on
Me people get off	I (23) lift you up
To (8) this foundation	We can stir it up
As we're raising, raising	Feel the love around
Until the break of day	When the sun (24) down
I will lift you up	People give it up
We can stir it up	'Cause we're (25) up
Feel the love around	Like the sun
When the sun comes down	So hold on
People (9) it up	

## 1. feel

- 2. stand
