

Fill in the gaps

Today is gonna be the day	By now you should've somehow
That they're gonna throw it back to you	Realized what you're not to do
By now you should've somehow	I don't believe that anybody
Realized what you gotta do	Feels the way I do
I don't believe (1) anybody	About you now
Feels the way I do (2) you now	And all the roads that lead to you were winding
Backbeat the word was on the street	And all the lights that light the way are blinding
That the fire in (3) heart is out	There are many things (7) I would like to say to
I'm sure you've heard it all before	you
But you never really had a doubt	I don't know how
I don't believe that anybody feels	I said maybe
The way I do about you now	You're gonna be the one who saves me?
And all the (4) we have to walk along are	And after all
winding	You're my wonderwall
And all the lights (5) lead us there are blinding	I said maybe
There are many things (6) I would	You're gonna be the one who saves me?
Like to say to you	And after an
I don't know how	You're my wonderwall
Because maybe	Said maybe
You're gonna be the one who saves me?	You're gonna be the one that saves me
And after all	You're gonna be the one that (8) me
You're my wonderwall	You're (9) be the one that saves me
Today was gonna be the day?	
But they'll never throw it back to you
