

Fill in the gaps

Today is gonna be the day	By now you should've somehow
That they're gonna throw it back to you	Realized what you're not to do
By now you should've somehow	I don't (10) that anybody
Realized what you gotta do	Feels the way I do
I don't believe (1) anybody	About you now
Feels the way I do (2) you now	And all the (11) that lead to you were winding
Backbeat the word was on the street	And all the lights that light the way are blinding
That the fire in your heart is out	There are (12) (13) (14)
I'm (3) you've heard it all before	I would (15) to say to you
But you never (4) had a doubt	I don't know how
I don't believe (5) anybody feels	I said maybe
The way I do about you now	You're gonna be the one who saves me?
And all the roads we have to walk along are winding	And after all
And all the (6) (7) (8)	_ You're my wonderwall
us there are blinding	I said maybe
There are many things that I would	You're (16) be the one who saves me?
Like to say to you	And (17) an
I don't know how	You're my wonderwall
Because maybe	Said maybe
You're gonna be the one who saves me?	You're gonna be the one that (18) me
And (9) all	You're (19) be the one that saves me
You're my wonderwall	You're gonna be the one that (20) me
Today was gonna be the day?	
But they'll never throw it back to you
