

Fill in the gaps

Don't Walk Away by Michael Jackson

Jon't walk away	See now why
See I just (1) find the right thing to say	All my dreams been broken
tried but all my pain gets in the way	l (13) (14) (15)
Tell me (2) I (3) to do so you'll stay	we're going
Should I get down on my knees and pray	Everything we said and all we (16) now
And how can I stop (4) you	Don't let go, I (17) wanna (18)
How can I (5) to say	away
When there's nothing left to do but (6) away	Now why
close my eyes	All my (19) been broken
lust to try and see you (7) one more time	Don't know where we're going
But it's been so long now all I do is cry	Everything begins to set us free
Can't we (8) some love to take (9) away	Can't you see, I don't (20) walk away
Cause the pain gets stronger (10) day	If you go, I (21) forget you girl
How can I begin again	Can't you see (22) you will always be
How am I to understand	Even (23) I had to let you go
Vhen (11) left	There's nothing (24) to do
o do but walk away	Don't walk (25)
