

Fill in the gaps

I have often dreamed Of a far off place Where a hero's welcome Would be waiting for me Where the crowds will cheer When they see my face And a voice keeps saying This is where I'm meant to be I'll be there someday I can go the distance I will find my way If I can be strong I know every mile Will be worth my while When I go the distance I'll be right where I belong Down an unknown road To embrace my fate Though that road may wander It will lead me to you

And a thousand years
Would be worth the wait

It might take a lifetime

But somehow I'll see it through

And I won't (1) back
I can go the distance
And I'll (2) on track
No I won't accept defeat
It's an uphill slope
But I won't lose hope
Till I go the distance
And my (3) is complete
But to look beyond the (4) is the hardest part
For a hero's strength is measured by his heart
Like a (5) star
I will go the distance
I will (6) the world
I will face its harms
I don't (7) how far
I can go the distance
Till I find my hero's welcome
Waiting in your arms
I will (8) the world
I will (9) its harms
Till I (10) my hero's welcome
Waiting in your arms
