When I (1)_____ into your eyes I can see a love restrained But darlin' when I hold you Don't you know I feel the same 'Cause nothin'
(2)_____ forever And we both know (3)_____ can change And it's hard to hold a candle In the cold November rain We've been
through this Such a long long time Just tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's (4)_____
sure Who's lettin' go today Walking away If we could (5)_____ the time To lay it on the line I could rest my head Just knowin' that you were mine
All mine So if you want to love me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own
Do you need some (6)_____ All alone Everybody needs some time On their own Don't you know you need some time All alone I know it's hard to
keep an open heart When even friends (7)_____ out to harm you But if you could heal a broken heart Wouldn't time be out to charm you
Sometimes I need some time On my own Sometimes I need some time All alone Everybody needs some time On their own Don't you know you need
some time All (8)_____ And when your fears subside And shadows still (9)_____ I know that you can love me When there's no one
left to blame So never mind the darkness We still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you
Need somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think
