

Fill in the gaps

when I look into your eyes I can see a love restrained but damin when I hold you bon't you know I feel the same. Cause nothin lasts forever and we
both know hearts can change And it's hard to (1) a candle In the cold (2) rain We've been through this Such a long
long time Just tryin' to kill the pain Yeahh But lovers always come And lovers always go And no one's really sure Who's lettin' go today Walking away
If we could take the time To lay it on the line I could rest my (3) Just knowin' that you were mine All mine So if you want to love me Then
darlin' don't refrain Or I'll just end up walkin' In the (4) November rain Do you need some time On your own Do you need some time All
alone Everybody needs some time On their own Don't you know you need some time All alone I know it's hard to keep an open heart When even
friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some time On my own
Sometimes I need some time All alone Everybody needs some time On their own Don't you know you need some time All alone And when your fears
subside And shadows (5) remain I know that you can (6) me When there's no one left to blame So never mind the darkness
We (7) can find a way 'Cause nothin' lasts forever Even (8) November rain Don't ya think that you Need somebody Don't ya
think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you Need somebody
Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you Need
somebody Don't ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you
Need somebody Don't ya think that you (9) (10) Everybody needs somebody
