November Rain by Guns N' Roses

When I look into your eyes I can see a love restrained But darlin' (1)_____ I hold you Don't you know I feel the same 'Cause nothin' lasts forever

And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such a long long time Just

tryin' to kill the pain Yeahh.. But lovers always (2)_____ And lovers (3)_____ go And no one's really sure Who's lettin' go today Walking

away If we could take the time To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want to love me Then darlin'

don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some time All alone Everybody

needs (4)_____ time On their own Don't you know you need some time All alone I know it's hard to keep an open heart When even friends seem

out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some time On my own Sometimes I need

some time All alone (5)_____ needs (6)_____ time On their own Don't you know you need some time All alone And when your

fears subside And shadows still remain I know that you can (7)_____ me When there's no one left to (8)_____ So never mind the

darkness We still can find a way 'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody Don't ya think that you

Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think (9)_____ you Need somebody Don't

ya think that you Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya (10)_____ that you
