

Fill in the gaps

Already Gone by Kelly Clarkson

Remember all the things we wanted
Now all our (1)_____ they're haunted
We were always meant to say goodbye
Even with our fists held high
It never would've worked out right
We were never meant for do or die
I didn't want us to burn out
I didn't come here to hold you, now I can't stop
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
Looking at you makes it harder
But I know that you'll find another
That doesn't (2)_____ make you want to cry
Started with a perfect kiss then we could feel the poison set in
Perfect couldn't keep this love alive
You know that I love you so, I love you enough to let you go
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
I'm already gone, already gone

You can't make it feel (3)_____ when you know
(4)_____ it's wrong
I'm already gone, already gone
There's no moving on so I'm (5)_____ gone
Already gone, already gone, already gone
Already gone, already gone, already gone, yeah
Remember all the things we wanted
Now all our memories they're haunted
We (6)_____ always meant to say goodbye
I want you to know that it doesn't matter
Where we take (7)_____ road someone's gotta go
And I want you to (8)_____ you couldn't have loved me
better
But I want you to move on so I'm already gone
I'm already gone, already gone
You can't (9)_____ it feel (10)_____ when you
know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
