

Fill in the gaps

Remember all the things we wanted
Now all our memories they're haunted
We were always meant to say goodbye
Even with our fists held high
It never would've worked out right
We were never meant for do or die
I didn't want us to burn out
I didn't come here to hold you, now I can't stop
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to (1) you couldn't (2)
loved me better
But I want you to move on so I'm already gone
Looking at you makes it harder
But I (3) (4) you'll find another
That doesn't always make you want to cry
Started (5) a perfect kiss then we could feel the
poison set in
Perfect couldn't keep this love alive
You know that I love you so, I (6) you enough to let
you go
I want you to know that it doesn't matter
Where we take this road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to move on so I'm already gone
I'm already gone, already gone

You can't make it feel right when you (7) that it's
wrong
I'm already gone, already gone
There's no moving on so I'm already gone
Already gone, already gone already gone
Already gone, already gone, (8) gone, yeah
Remember all the things we wanted
Now all our memories they're haunted
We were always meant to say goodbye
I want you to know that it doesn't matter
Where we take (9) road someone's gotta go
And I want you to know you couldn't have loved me better
But I want you to (10) on so I'm already gone
I'm already gone, already gone
You can't make it feel right when you know that it's wrong
I'm already gone, already gone
There's no moving on so I'm already gone
