No More Lonely Nights by Paul McCartney

I can wait another day until I call you	You're my (7) light
You only got my heart on a string	Day or night, I'm (8) there
And everything a flutter	And I won't go away until you (9) me so
But another lonely night might take forever	No, I'll never go away
We've (1) got each other to blame	Yes, I know what I feel to be right
It's all the same to me love	No more lonely nights
'Cause, I know (2) I feel to be right	Never be another
No more lonely nights	No more lonely nights
No more lonely nights	You're my (10) light
You're my guiding light	Day or night, I'm always there
Day or night, I'm always there	And I won't go away until you tell me so
May I never (3) the thrill of being near you	No, I'll never go away
And if it takes a couple of years	I won't go away until you tell me so
To turn (4) tears to laughter	No, I'll never go away
I will do what I (5) to be right	No more lonely nights
No more (6) nights
