

## Fill in the gaps

I'm down a one-way street	(And something tells me this time I'm down to my last licks)
With a one-night stand, With a one track mind	'Cause if it's over, Then it's over
Out in no-man's land	And it's driving me insane
(The punishment sometimes don't seem to fit the crime)	Take a walk outside your mind
Yeah there's a hole in my soul	Tell me how it feels to be
But one thing I've learned	The one who turns the (7) inside of me
For every love letter written	Take a look and you will find there's nothing there girl
There's another burned	Yeah I swear, I'm telling you girl yeah 'cause
(So you tell me how (1) gonna be this time)	There's a hole im my soul that's been killing me forever
Is it over, Is it over	It's a place where a garden never grows
Cause I'm (2) out the flame	There's a hole im my soul, Yeah, I should have known better
Take a walk outside your mind	'Cause your love's like a thorn without a rose
Tell me how it feels to be	If it's over, It is over
The one who turns the knife inside of me	'Cause I'm blowin' out the flame
Take a look and you will find there's nothing there girl	Take a walk outside your mind
Yeah I swear, I'm (3) you girl yeah 'cause	Tell me how it feels to be
There's a hole im my (4) that's been killing me	The one who turns the knife inside of me
forever	Take a look and you will find
It's a place where a garden never grows	There's nothing there girl yeah I swear
There's a (5) in my soul, yeah I should have	I'm telling you girl, yeah ´cause
known better	There's a hole im my soul that's been killing me forever
'Cause your love's like a thorn without a rose	It's a place where a garden never grows
I'm as dry as a seven-year drought	There's a hole im my soul, Yeah, I (8) have
I got dust for tears	known better
And I'm all tapped out	'Cause (9) love's (10) a thorn without a
(Sometimes I feel broken and can't get fixed)	rose
I know (6) been all kinds of shoes	
underneath your bed	
Now I sleep with my boots on but you're still in my head	

- 1. it's
- 2. blowin'
- 3. telling
- 4. soul
- 5. hole
- 6. there's
- 7. knife
- 8. should
- 9. your
- 10. like
