Won't Go Home Without You by Maroon 5

I asked her to stay but she wouldn't listen	Just give me one more chance to make it right
And she left before I had the chance to say	I may not make it through the night
The words that (1) mend the things that were	I won't go home without you
broken	Of all the things I've felt I've never really showed
But now it's far too late she's gone away	Perhaps the worst is that I ever let you go
Every night you cry yourself to sleep	I should not ever let you go
Thinking why does this happen to me?	It's not over tonight
Why (2) every moment have to be so hard?	Just (8) me one more chance to make it right
Hard to believe it	I may not make it through the night
It's not (3) tonight	I won't go home without you
Just (4) me one more chance to (5) it	It's not over tonight
right	Just give me one more chance to make it right
I may not make it through the night	I may not make it through the night
I won't go (6) without you	I won't go home without you
The taste of her breath, I'll never get over	And I won't go home without you
And the noises that she made kept me awake	And I won't go home (9) you
The weight of the things that remain unspoken	And I won't go home without you
Built up so much, it crushed us every day
