Total Eclipse of the heart by Bonnie Tyler

TURN AROUND	Your love is like a shadow on me all of the time
Every now and then I get a little bit lonely	I don't know what to do and I'm always in the dark
and you never come around.	We're living in a powder keg and giving off sparks
TURN AROUND	I really need you tonight, forever's gonna start tonight
Every now and then I get a little bit tired	forever's gonna start tonight
of listening to the sound of my tears	Once upon a time I was falling in love but now I'm
TURN AROUND	(5) falling apart
Every now and then I get a little bit nervous	There's nothing I can do, a total eclipse of the heart
