And the boys chase the girls with the curls in their hair While the shy tormented youth sit way over there And the songs they get louder each one better than before And you're singing the songs thinking this is the life And you wake up in the morning and your head feels twice the ___ you gonna go? Where you gonna go? (1)___ Where you gonna sleep tonight? And you're singing the songs thinking this is the life And you wake up in the morning and your head _____ twice the size Where you gonna go?
