

## Fill in the gaps

From behind these walls I hear your song
Oh, sweet words
The music that you play lights up my world
The sweetest that I've heard
Could it be that I've been touched and turned
Oh Lord, please finally, (1) things are
changing
This land is mine but I'll let you rule
I let you navigate and demand
Just as long as you know, this land is mine
So find your home and settle in
Ohh, I'm ready to let you in
Just as (2) as we know, this land is mine
After all the battles and the wars
The scars and loss
Well, I'm still the (3) of my domain
And feeling stronger now
The walls are down a little (4) each day
Since you came, finally, finally things are changing
This land is mine but I'll let you rule
I let you navigate and demand
Just as long as you know, this land is mine

so find your home and settle in	
Ohh, I'm ready to let you in	
ust as long as we know, this land is mine	
ollow the days I've traveled alone	
n (5) and colorless place till now	
's what I had to pay	
his land is mine but I'll let you rule	
let you navigate and demand	
ust as (7) as you know, this (8) is mir	e
so find your home and settle in	
Ohh, I'm ready to let you in	
ust as long as we know, this (9) is mine	
his land is mine but I'll let you rule	
let you navigate and demand	
ust as long as you know, this land is mine
