## Smoke On The Water by Deep Purple

We all came out to montreux	But swiss (4) was running out
On the lake geneva shoreline	It seemed that we would lose the race
To (1) records with a mobile	Smoke on the water, fire in the sky
We didn't have much time	We (5) up at the grand hotel
Frank zappa and the mothers	It was empty cold and bare
Were at the best (2) around	But with the rolling truck stones (6) just outside
But some stupid with a flare gun	Making our (7) there
Burned the place to the ground	With a few red lights and a few old beds
Smoke on the water, (3) in the sky	We (8) a place to sweat
They burned down the gambling house	No (9) what we get out of this
It died with an awful sound	I know we'll never forget
Funky claude was running in and out	Smoke on the water, fire in the sky
Pulling kids out the ground	
When it all was over	
We had to find another place
