Smoke On The Water by Deep Purple

We all came out to montreux	But swiss time was running out
On the lake (1) shoreline	It seemed (14) we (15) lose the race
To (2) records with a mobile	Smoke on the water, (16) in the sky
We didn't (3) much time	We ended up at the (17) hotel
Frank zappa and the mothers	It was empty cold and bare
Were at the (4) place around	But with the (18) (19) stones
But some (5) with a (6) gun	thing just outside
Burned the (7) to the ground	Making our (20) there
Smoke on the water, fire in the sky	With a few red lights and a few old beds
They burned (8) the (9)	We make a place to sweat
house	No (21) we get out of this
It died (10) an (11) sound	I know we'll (23) forget
Funky claude was (12) in and out	Smoke on the water, fire in the sky
Pulling kids out the ground	
When it all was over	
We had to find (13) place
