

Fill in the gaps

Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact that I will love you till I die
We are twelve (1)_____ light years (2)_____
the edge
That's a guess
No one can ever say it's true
But I know (3)_____ I will always be with you
I'm warmed by the fire of your love everyday
So don't call me a liar
Just believe everything that I say
There are six billion people in the world
More or less
And it (4)_____ me (5)_____ quite small
But you're the one I love the most of all

We're high on the wire
With the world in our sight
And I'll never tire
Of the love that you (6)_____ me every night
There are (7)_____ million bicycles in Beijing
That's a fact
It's a thing we can't deny
Like the fact (8)_____ I (9)_____ love you till I die
And there are nine million bicycles in Beijing
And you know that I will love you till I die
