Nine Million Bicycles by Katie Melua

There are nine million bicycles in Beijing

That's a fact

It's a thing we can't deny

Like the fact that I will love you (1)_____ I die

We are (2)_____ billion light years (3)_____ the edge

That's a guess

No one can ever say it's true

But I know that I (4)_____ always be (5)_____ you

I'm warmed by the fire of your love everyday

So don't (6)_____ me a liar

Just believe everything that I say

There are six billion people in the world

More or less

And it makes me feel quite small

But you're the one I love the most of all

We're high on the wire

With the world in our sight

And I'll never tire

Of the love that you (7)_____ me every night

There are (8)_____ million bicycles in Beijing

That's a fact

It's a thing we can't deny

Like the fact (9)_____ I will love you till I die

And there are nine million bicycles in Beijing

And you know that I will love you (10)_____ I die
