

## Fill in the gaps

| It's been the longest winter without you           |
|--|
| I didn't know (1) to turn to                       |
| See somehow I can't forget you                     |
| After all that we've been through                  |
| Go in, come in, thought I heard a knock            |
| Who's there? No one, thinking that I deserved it   |
| Now I (2) that I really didn't know                |
| You didn't notice, you mean everything             |
| Quickly I'm learning to love again                 |
| All I (3) is, I'ma be okay                         |
| Thought I couldn't live without you                |
| It's (4) hurt when it heals to, oh yeah            |
| It'll all get better in time                       |
| Even though I really loved you                     |
| I'm gonna smile 'cause I deserve to                |
| It'll all get better in time                       |
| How could I turn on the TV                         |
| Without something there to remind me?              |
| Was it all that easy                               |
| To just put aside your feelings?                   |
| If I'm dreaming, don't wanna let, hurt my feelings |
| But that's the path, I believe in                  |
| And I know that, time will (5) it                  |
| You didn't notice, you mean everything             |
| Quickly I'm learning to love again                 |
| All I know is, I'ma be okay                        |
|  |

| Thought I couldn't live without you                |
|--|
| It's gonna hurt when it heals to, oh yeah          |
| It'll all get better in time                       |
| Even (6) I really loved you                        |
| I'm gonna smile 'cause I deserve to                |
| It'll all get better in time                       |
| Since there's no more you and me                   |
| It's time I let you go so I can be free            |
| And live my life how it should be                  |
| No matter how hard it is, I'll be fine without you |
| Yes, I will  |
| Thought I couldn't live without you                |
| It's gonna hurt (7) it heals to, oh                |
| It'll all get better in time                       |
| Even though I really loved you                     |
| I'm (8) smile 'cause I deserve to, yes, I do       |
| It'll all get better in time                       |
| Thought I couldn't live without you                |
| It's gonna (9) when it (10) to, year               |
| It'll all get better in time                       |
| Even though I really loved you                     |
| I'm gonna smile 'cause I deserve to                |
