

Fill in the gaps

Talking away	Oh the (4) (5) you say yeah
I don't know what I'm to say	Is it a life or (6) to play
I'll say it anyway	My worries away
Today isn't my day to find you	You're all the things I've got to remember
Shying away	Be shying away
I've been coming for (1) (2) O.K.	Oh I'll be coming for you anyway.
Take on me (take on me)	Take on me (take on me)
Take me on (take on me)	Take me on (take on me)
I'll be gone	I'll be gone
In a day or two.	In a day
So needless to say I'm (3) and ends	Take on me (take on me)
But I'll be, stumbling away	Take me on (take on me)
Slowly learning that life is O.K.	I'll be (7) (take on me)
Say after me,	In a day
"It's no better to be safe than sorry."	Take on me (take on me)
Take on me (take on me)	Take on me (take me on)
Take me on (take on me)	Take on me (take on me)
I'll be gone	Take on me
In a day or two.
