

## Fill in the gaps

We'll do it all	I need your grace
Everything	To remind me
On our own	To (5) my own
We don't need	If I lay here
Anything	If I just lay here
Or anyone	Would you lie with me
If I lay here	And just forget the world?
If I just lay here	Forget what we're told
Would you lie with me	Before we get too old
And just (1) the world?	Show me a garden
I don't quite know	That's bursting into life
How to say	All that I am
How I feel	All (6) I ever was
Those three words	Is here in your perfect eyes
Are said too much	They're all I can see
They're not enough	I don't know where
If I lay here	Confused about how as well
If I just lay here	Just know that these things
Would you lie with me	Will never (7) for us at all
And (2) forget the world?	If I lay here
Forget what we're told	If I just lay here
Before we get too old	Would you lie (8) me
Show me a garden	And just forget the world?
That's (3) into life
