

Fill in the gaps

We'll do it all	I need (/) grace
Everything	To (8) me
On our own	To (9) my own
We don't need	If I lay here
Anything	If I (10) lay here
Or anyone	Would you lie (11) me
If I lay here	And just (12) the world?
If I (1) lay here	Forget (13) we're told
Would you lie with me	Before we get too old
And (2) forget the world?	Show me a garden
I don't (3) know	That's (14) (15) life
How to say	All that I am
How I feel	All that I (16) was
Those three words	Is here in (17) perfect eyes
Are (4) too much	They're all I can see
They're not enough	I don't know where
If I lay here	Confused (18) how as well
If I just lay here	Just (19) (20) these things
Would you lie with me	Will never change for us at all
And just forget the world?	If I lay here
Forget (5) we're told	If I (21) lay here
Before we get too old	Would you lie with me
Show me a garden	And (22) forget the world?
That's (6) into life
