

Fill in the gaps

I feel it in my fingers	My mind's (7) up by the way that I feel
I feel it in my toes	There's no beginning, there'll be no end
The love that's all around me	'Cause on my love you can depend
And so the feeling grows	I got to (8) it moving
It's written on the wind	It's (9) in the wind
It's everywhere I go	Oh everywhere I go
So if you really (1) me	So if you really love me, love me
Come on and let it show	Come on and let it show
You know I love you, I (2) will	Come on and let it show
My mind's (3) up by the way that I feel	Come on and let it
There's no beginning, there'll be no end	Come on and let it,
'Cause on my love you can depend	Come on and let it show
I see (4) face before me	Come on and let it,
As I lay on my bed	Come on and let it,
I cannot get to thinking	Come on and let it show,
Of all the things you said	Come on and let it show,
You gave your (5) to me and I gave mine to	Come on and let it (10)
you	
I need someone beside me in everything I do	
You know I (6) you, I always will
