I (1) you when I need you, my heart's on fire
You (2) to me, (3) to me wild and wild
When you come to me
Give me everything I need
Give me a lifetime of promises and a world of dreams
Speak a language of love (4) you know what it (5)
And it can't be wrong
Take my heart and make it strong baby
You're simply the best, better than all the rest
Better than anyone, anyone I've ever met
I'm stuck on your heart, and hang on every word you say
Tear us apart, baby I would (6) be dead
In your heart I see the star of every (7) and (8) day
In your heart I see the star of every (7) and (8) day In your eyes I get lost, I get washed away

In your eyes I get lost, I get washed away Just as long as I'm here in your arms
In your eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place
