When the (1) must come together as o					
There are people dying					
And it's time to lend a hand to life					
The greatest gift of all					
We can't go on pretending day by day					
That someone, somewhere will soon make change					
We are all a (2) of God's great big family					
And the truth you know					
Love is all we need					
chorus:					
We are the world, we are the children					
We are the (3) who make a brighter day

There's a choice we're making					
We're saving our own lives
