

For me it's true

And never seemed so right before

Fill in the gaps

I know I stand in line

Until you think you have the time

To (1)______ an evening with me

And if we go someplace to dance
I know that there's a chance
You won't be (2)_____ with me

Then afterwards we drop (3)____ a quiet little place
And have a drink or two

And then I go and (4)____ it all

By saying something stupid

Like I love you
I can see it in your eyes

That you despise the same old lines
You heard the night before

And (5)_____ it's just a line to you

I practice every day to find some clever
lines to say
To make the meaning come through
But then I (6) I'll wait (7) the
evening
gets late
And I'm (8) with you
The time is right
Your perfume fills my head
The stars get red
And oh the night's so blue
And (9) I go and spoil it all
By (10) something stupid
Like I love you
I love you
