## Dani California by Red Hot Chili Peppers

Gettin' born in the state of Mississippi	Yeah, yeah
Poppa was a copper and her (1) was a hippie	Who knew the other (8) of you?
In Alabama she was swinging hammer	Who knew what others died to prove?
Price you (2) pay when you break the panorama	Too (9) to say goodbye to you
She never knew that there was anything more than poor	Too true, too sad sad sad
What in the world does your company take me for?	Push the fader, gifted animator
Black bandana, sweet Louisiana	One for the now and eleven for the later
Robbin' on a bank in the state of Indiana	Never made it up to Minnesota
She's a runner, rebel and a stunner	North Dakota man was a gunnin' for the quota
On her merry way saying baby what you gonna	Down in the badlands she was saving the best for las
Lookin' down the barrel of a hot metal .45	It only hurts (10) I laugh
Just (3) way to survive	Gone too fast
California rest in peace	California rest in peace
Simultaneous release	Simultaneous release
California (4) your teeth	California show your teeth
She's my priestess, I'm your priest	She's my priestess, I'm your priest
Yeah, yeah	Yeah, yeah
She's a lover, baby and a fighter	California rest in peace
Should've seen her coming when it got a little brighter	Simultaneous release
With a name like (5) California	California show your teeth
Day was gonna come when I was gonna mourn ya	She's my priestess, I'm your priest
A little loaded she was stealing another breath	Yeah, yeah
I love my baby to death	
California rest in peace	
Simultaneous release	
California show (6) teeth	
She's my priestess, I'm (7) priest
