Shape Of My Heart by Backstreet Boys

Yeah, yeah, baby, (1)	try to forgive me	I'm here with my confession
Stay here, don't put out the glow		Got nothing to hide no more
Hold me now, don't bother		I don't (6) where to start
If every minute it makes me weaker		But to show you the (7) of my heart
You can save me from the man that I've become		I'm lookin' back in things I've done
Oh yeah		I never wanna play the same old part
Lookin' back on the (2)	I've done	Or keep you in the dark
I was (3) to b	e someone	Now let me show you the shape of my heart
I played my part and kept you in the dark		Lookin' (8) on the things I've done
Now let me show you the (4) of my heart		I was trying to be someone
Sadness is beautiful, loneliness is tragical		I played my (9) and (10) you in the dark
So help me, I can't win this war, oh no		Now let me show you the shape of my heart
Touch me now, don't bother		Lookin' back on the things I've done
If (5) second it r	nakes me weaker	I was trying to be someone
You can save me from the man I've become		I played my part and kept you in the dark
Lookin' back on the things I've done		Now let me show you the shape of
I was trying to be someone		Show you the shape of my heart
I played my part and kept you	in the dark
