Well, you done done me and you bet I felt it	I've been spendin' way too long checkin' my
I tried to be chill but you're so hot that I melted	(14) in the mirror
I fell right through the cracks, now I'm (1) to get	and bendin' (15) (16)
back	(17) to try to see it clearer
before the cool done run out I'll be (2) it my	But my breath (18) up the glass
bestest	and so I drew a new face and I laughed
and nothin's (3) stop me but divine intervention	I (19) what I'd be sayin' is (20) ain't
I reckon it's again my turn to win (4) or learn some	no better reason
But I won't hesitate no more,	to rid yourself of vanities and (21) go with the
no more, it cannot wait	seasons
I'm yours	it's what we aim to do
Well (5) up your mind and see (6) me	our name is our virtue
open up your plans and (7) you're free	But I won't (22) no more,
look into your heart and you'll find love love (8)	no more it (23) wait
love	I'm yours
listen to the music of the moment (9)	Well (24) up your (25) and see like me
(10) and sing	open up your plans and damn you're free
We're just one big family	look into your (26) and you will find that the sky
And it's our godintended right to be loved loved loved loved	is yours
loved	so (27) don't, please don't, please don't,
So, I won't hesitate no more,	there's no need to complicate,
no more, it cannot wait I'm sure	Cause our time is short
there's no (11) to (12)	This, this, this is our fate,
our time is short	I'm yours
