He deals the cards as a meditation					
And those he plays never suspect					
He doesn't play for the money he wins					
He doesn't play for the respect					
He deals the cards to find the answer					
The sacred geometry of chance					
The hidden law of probable outcome					
The numbers lead a dance					
I know (1) the (2) are the swords					
of a soldier					
I know that the clubs are weapons of war					
I know that diamonds mean money for this art					
But that's not the shape of my heart					
He may play the jack of diamonds					
He may lay the queen of spades					
He may conceal a king in his hand					
While the memory of it fades					
I know that the spades are the swords of a soldier					

I know that the clubs are weapons of war

I know that (3)				mean money for this art	
But that's not the shape of my heart					
That's not the shape, the shape of my heart					
And if I told you that I loved you					
You'd	maybe	(4)		there's	
(5)		wrong			
I'm not a	man of too	(6)	faces		
The mask I (7) is one					
Those who speak know nothing					
And find out to their cost					
Like those who curse their (8) in too many places					
And (9)_		who (10)		are lost	
I know that the spades are the swords of a soldier					
I know that the clubs are weapons of war					
I know that diamonds mean money for this art					
But that's not the shape of my heart					
That's not the shape of my heart
