

Fill in the gaps

I got your emails		She was with you, yeah	
You just don't get females		Now, I couldn't care	
Now, do you?		About who, what or where	
What's in my heart		We're through	
Is not in your head		You'll have to cry me out	
Anyway		You'll have to cry me out	
Mate, you're too late		The tears that'll fall	
And you (1)	worth the wait	Mean nothing at all	
Now, were you?		It's time to get over yourself	
It's out of my hands		Baby, you ain't all that	
Since you blew your (2)	chance	Baby, there's no way back	
When you played me		You can (6) talking	
You'll have to cry me out		But baby, I'm walking away	
You'll have to cry me out		Gonna have to cry me out	
The (3) that'll fall		Gonna have to cry me out	
Mean nothing at all		Boy, there (7)	no doub
It's time to get over yourself		Gonna have to cry me out	
Baby, you ain't all that		Won't hurt a little bit	
Baby, there's no way back		Boy, better get used to it	
You can keep talking		You can keep talking	
But baby, I'm walking away		But baby, I'm walking away	
When I found out		You'll have to cry me out	
How you messed me about		You'll have to cry me out	
I was broken (heartbroken)		The tears that'll fall	
Back then I (4)	_ you	Mean (8)	at all
Now, I don't need you		It's time to get (9)	yourself
No more		You'll Have to cry me out	
The pic on (5) phone		You'll Have to cry me out
