T Love Rock & Roll by Joan Jett

Fill in the gaps

I saw him dancing (1) by the record machine	Singing I (7) rock and roll
I knew he must have been about seventeen	So put another dime in the jukebox, baby
The beat was going strong, playing my	I love (8) and roll
(2) song	So come and take your time and dance with me
And I could tell it wouldn't be long 'til he was with me, yeah me	I love rock and roll
I could (3) it wouldn't be long 'til he was with me,	So put another dime in the jukebox, baby
yeah me	I love rock and roll
Singing I love (4) and roll	So come and (9) your time and dance with
So put another dime in the jukebox, baby	I love rock and roll
I love rock and roll	So put another dime in the jukebox, baby
So come and take your time and dance with me	I love rock and roll
Ow!	So come and take your time and dance with
He smiled so I got up and (5) for his name	I love rock and roll
But that don't matter he said 'cause it's all the same	So put (10) dime in the jukebox, bab
He said, "Can I take ya home where we can be	I love rock and roll
alone?"	So come and take your time and dance with
And next we're (6) on, he was with me, yeah	I love rock and roll
me	So put another dime in the jukebox, baby
Next we were movin' on, he was with me, yeah me	I love rock and roll
Singing I love rock and roll	So come and take your time and dance with me
So put another dime in the jukebox, baby	
I love rock and roll	
So come and take your time and dance with me	
Ow!	
He said, "Can I take ya home where we can be	
alone?"	
Next we're moving on, he was with me, yeah me	
And we'll be movin' on and singing that same old song, yeah	
with me	

- 1. there
