## Aint No Other Man by Christina Aguilera

(Do your thang honey)	You got soul, you got class, you got style with your bad ass
I could feel it from the start	Ain't no other man, it's true
Couldn't stand to be apart	Ain't no other man but you
Something about you caught my eye	
Something moved me deep inside	(Break it down now)
I don't (1) what you did boy but you had it	Ain't no other, ain't, ain't no other other
And I've been hooked (2) since	Ain't no other, ain't, ain't no other lover
	Ain't no other, I-I-I need no other
I told my mother, my brother, my sister and my friends	Ain't no other man but you
Told the others, my lovers from past and present tense	
That every time I see you everything starts making sense	You are there when I'm a mess
	Talk me down from every ledge
(Do your thang honey)	Give me strength, boy you're the best
	You're the only one who's ever passed every test
Ain't no other man can stand up (3) to you	
Ain't no other man on the planet does what you do	Ain't no (9) man can stand up next to you
You're the kinda guy a girl (4) in a blue moon	Ain't no other man on the (10) does what you
You got soul, you got class, you got style with your bad ass	do
	You're the kinda guy a girl finds in a blue moon
Ain't no other man, it's true	You got soul, you got class, you got style with your bad ass
Ain't no other man but you	
	Ain't no other man, it's true
Never thought I'd be alright, no no no	Ain't no other man but you
'Til you came and changed my life, yeah yeah yeah	And now I'm telling you
What was cloudy now is clear, yeah yeah	Said ain't no other man but you!
You're the light that I needed	
	Ain't no other man can stand up next to you
You got what I want boy and I want it	Ain't no other man on the planet does what you do
So (5) on givin' it up	You're the kinda guy a girl finds in a blue moon
	You got soul, you got class, you got style with your bad ass
So tell your mother, your brother, your (6)	
and (7) friends	Ain't no other man, it's true
