Fill in the gaps

When you're close to tears remember	Of love
Someday it'll all be over	Cause we are gonna be
One day we're gonna get so high	Forever, you and me
Though it's (1) (2) December	You will
What's (3) is a different colour	Always keep it (16) (17) in the sky
One day we're (4) get so high	Of love
And at the end of the day remember the days	And at the end of the day remember the days
When we were close to the end	When we were close to the end
And (5) how we made it through the night	And wonder how we made it (18) the night
At the end of the day	At the end of the day
Remember the way	Remember the way
We stayed so close to the end	We (19) so close to the end
We'll remember it was me and you	We'll remember it was me and you
Cause we are gonna be	Cause we are gonna be
Forever, you and me	Forever, you and me
You will	You will
Always (6) it (7) high in the sky	Always keep it flying (20) in the sky
Of love	Of love
Don't you think it's time you started	Cause we are gonna be
Doing what we always wanted	Forever, you and me
One day we're (8) get so high	You will
Cause (9) the impossible	Always keep it flying high in the sky
Is easy when we got (10) other	Of love
One day we're gonna get so high	Cause we are gonna be
And at the end of the day remember the days	Forever, you and me
When we (11) close to the end	You will
And wonder how we made it (12) the night	Always keep it (21) (22) in the sky
At the end of the day	Of love
Remember the way	Cause we are gonna be
We (13) so (14) to the end	Forever, you and me

Cause we are (15) be	Always (23) it flying (24) in the sky
