

## Fill in the gaps

I know you (1) (2) I shouldn't still love	And hold my tongue
you	And you will think
I (3) you that	That I've moved on
But if I didn't say it	Well I will go (14) with this ship
Well, I'd still have felt it	And I won't put my hands up and surrender
Where's the sense in that?	There will be no (15) flag (16) my
I promise I'm not trying to make your life harder	door
Or return to (4) we were	I'm in love and always will be
Well I will go down with this ship	Well I will go (17) with this ship
And I won't put my (5) up and surrender	And I won't put my hands up and surrender
There will be no white flag above my door	There (18) be no white flag (19) my
I'm in love and always will be	door
I (6) I left too much mess	I'm in love and (20) will be
And (7) to (8) back	I will go (21) with this ship
again	And I won't put my (22) up and surrender
That I cause nothing but trouble	There will be no white flag (23) my door
I understand if you can't (9) to me again	I'm in love and (24) be
And if you live by the rules of "It's over"	
Then I'm sure that that makes sense	
Well I will go down with this ship	
And I won't put my (10) up and surrender	
There (11) be no white (12) above my	
door	
I'm in (13) and always will be	
And when we meet	
Which I'm sure we will	
all that was there	
Will be there still	
I'll let it pass
