

Fill in the gaps

White Flag by Dido

I know you think that I shouldn't still love you

I tell you that

But if I didn't say it

Well, I'd still have felt it

Where's the sense in that?

I (1)_____ I'm not (2)_____ to make
your life harder

Or return to where we were

Well I will go down with this ship

And I won't put my (3)_____ up and surrender

There will be no white flag above my door

I'm in love and always will be

I know I left too much mess

And destruction to come back again

That I cause nothing but trouble

I understand if you can't talk to me again

And if you live by the rules of "It's over"

Then I'm (4)_____ that that makes sense

Well I will go down with this ship

And I won't put my (5)_____ up and surrender

There (6)_____ be no white flag above my door

I'm in love and always will be

And when we meet

Which I'm (7)_____ we will

all that was there

Will be there still

I'll let it pass

And hold my tongue

And you will think

That I've moved on

Well I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

Well I will go down with this ship

And I won't put my (8)_____ up and surrender

There (9)_____ be no white flag above my door

I'm in love and always will be

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and (10)_____ will be

Fill in the gaps

Answer

1. promise
2. trying
