

I know you think that I shouldn't still love you
I tell you that
But if I didn't say it
Well, I'd (1) have felt it
Where's the sense in that?
I promise I'm not trying to make your life harder
Or return to (2) we were
Well I will go down (3) this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in (4) and always will be
I know I left too much mess
And destruction to (5) back again
That I cause nothing but trouble
I understand if you can't talk to me again
And if you live by the rules of "It's over"
Then I'm sure (6) that makes sense
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
And when we meet
Which I'm sure we will
all that was there
Will be there still
I'll let it pass

Fill in the gaps

And hold my tongue
And you will think
That I've moved on
Well I will go down (7) this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in (8) and always will be
Well I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no (9) flag (10) my
door
I'm in love and always will be
