

Fill in the gaps

Come up to (1) you, (2) you I'm sorry	But tell me you (16) me, come (17) and
You don't know how lovely you are	(18) me
had to find you, tell you I (3) you	Oh and I rush to the start
Tell you I set you apart	Running in circles, (19) our tails
Tell me your (4) and ask me (5)	Coming back as we are
questions	Nobody said it was easy
Oh, let's go (6) to the start	Oh, it's such a shame for us to part
Running in circles, coming up tails	Nobody said it was easy
Heads on a science apart	No one ever said it (20) be so hard
Nobody (7) it was easy	I'm going (21) to the start
t's such a shame for us to part	Oh ooh, ooh ooh ooh
Nobody (8) it was easy	Ah ooh, ooh ooh ooh
No one (9) said it would be (10) hard	Oh ooh, ooh ooh ooh
Oh, take me (11) to the start	Oh ooh, ooh ooh ooh
was just guessing at numbers and figures	
Pulling the (12) apart	
Questions of science, (13) and progress	
Do not (14) as (15) as my heart
