

## Fill in the gaps

I'm not a perfect person						
There's many things I wish I didn't do						
But I continue learning						
I never meant to do (1) things to you						
And so I have to say before I go						
That I just want you to know						
I've found a reason for me						
To change who I used to be						
A reason to start over new						
And the reason is you						
I'm sorry that I (2) you						
It's something I must live with every day						
And all the (3) I put you through						
I wish that I could take it all away						
And be the one who catches all your tears						
That's why I need you to hear						
I've found a reason for me						
To (4) who I used to be						
A reason to start over new						
And the reason is you						
And the reason is you						
And the reason is you
