Running through my veins

I wanna (1) the living	Going to waste
Not sure I understand	And I need to feel
This role I've been given	Real (14) and the love ever after
I sit and talk to God	I can not get enough
And he just laughs at my plans	I just wanna feel
My (2) a language	Real love (15) the (16) that I
I don't understand	(17) in
l just (4) feel	I got too much love
Real (5) feel the (6) (7) I live	Running through my veins
in	To go to waste
Cos I got too (8) life	I (18) wanna feel
Running through my veins	Real (19) and the love ever after
Going to waste	There's a hole in my soul
I don't (9) die	You can see it in my face
But I ain't keen on living either	It's a real big place
Before I (10) in love	Come and hold my hand
I'm preparing to leave her	I wanna contact the living
Scare myself to death	Not (20) I understand
That's why I (11) on running	This role I've (21) given
Before I've arrived	Not (22) I understand
I can see myself coming	Not sure I understand
I just wanna feel	Not (23) I understand
Real (12) feel the home (13) I live in	Not sure I understand
Cos I got too much life
